produce the best outcomes for its customers.

### **§ 668.260 How are INA grantees designated?**

(a) On March 1 of each designation year, we designate or conditionally designate Native American grantees for the coming two program years. The Grant Officer informs, in writing, each entity which submitted a Notice of Intent that the entity has been:

- (1) Designated;
- (2) Conditionally designated;
- (3) Designated for only a portion of its requested area or population; or
- (4) Denied designation.

(b) Designated Native American entities must ensure and provide evidence to DOL that a system is in place to afford all members of the eligible population within their service area an equitable opportunity to receive employment and training activities and services.

### **§ 668.270 What appeal rights are available to entities that are denied designation?**

Any entity that is denied designation in whole or in part for the area or population that it requested may appeal the denial to the Office of the Administrative Law Judges using the procedures at 20 CFR 667.800 or the alternative dispute resolution procedures at 20 CFR 667.840. The Grant Officer will provide an entity whose request for designation was denied, in whole or in part, with a copy of the appeal procedures.

### **§ 668.280 Are there any other ways in which an entity may be designated as an INA grantee?**

Yes, for an area which would otherwise go unserved. The Grant Officer may designate an entity, which has not submitted an NOI, but which meets the qualifications for designation, to serve the particular geographic area. Under such circumstances, DINAP will seek the views of Native American leaders in the area involved about the decision to designate the entity to serve that community. DINAP will inform the Grant Officer of their views. The Grant Officer will accommodate their views to the extent possible.

## **20 CFR Ch. V (4–1–05 Edition)**

### **§ 668.290 Can an INA grantee's designation be terminated?**

(a) Yes, the Grant Officer can terminate a grantee's designation for cause, or the Secretary or another DOL official confirmed by the Senate can terminate a grantee's designation in emergency circumstances where termination is necessary to protect the integrity of Federal funds or ensure the proper operation of the program. (WIA sec. 184(e).)

(b) The Grant Officer may terminate a grantee's designation for cause only if there is a substantial or persistent violation of the requirements in the Act or the WIA regulations. The grantee must be provided with written notice 60 days before termination, stating the specific reasons why termination is proposed. The appeal procedures at 20 CFR 667.800 apply.

(c) The Secretary must give a grantee terminated in emergency circumstances prompt notice of the termination and an opportunity for a hearing within 30 days of the termination.

### **§ 668.292 How does a designated entity become an INA grantee?**

A designated entity becomes a grantee on the effective date of an executed grant agreement, signed by the authorized official of the grantee organization and the Grant Officer. The grant agreement includes a set of certifications and assurances that the grantee will comply with the terms of the Act, the WIA regulations, and other appropriate requirements. Funds are released to the grantee upon approval of the required planning documents, as described in §§ 668.710 through 668.740.

### **§ 668.294 Do we have to designate an INA grantee for every part of the country?**

No, beginning with the PY 2000 grant awards, if there are no entities meeting the requirements for designation in a particular area, or willing to serve that area, we will not allocate funds for that service area. The funds allocated to that area will be distributed to the remaining INA grantees, or used for other program purposes such as technical assistance and training (TAT).

Unawarded funds used for technical assistance and training are in addition to, and not subject to the limitations on, amounts reserved under § 668.296(e). Areas which are unserved by the INA program may be restored during a subsequent designation cycle, when and if a current grantee or other eligible entity applies for and is designated to serve that area.

**§ 668.296 How are WIA funds allocated to INA grantees?**

(a) Except for reserved funds described in paragraph (e) of this section and funds used for program purposes under § 668.294, all funds available for WIA section 166(d)(2)(A)(i) comprehensive workforce investment services program at the beginning of a Program Year will be allocated to Native American grantees for their designated geographic service areas.

(b) Each INA grantee will receive the sum of the funds calculated under the following formula:

(1) One-quarter of the funds available will be allocated on the basis of the number of unemployed Native American persons in the grantee's designated INA service area(s) compared to all such persons in all such areas in the United States.

(2) Three-quarters of the funds available will be allocated on the basis of the number of Native American persons in poverty in the grantee's designated INA service area(s) as compared to all such persons in all such areas in the United States.

(3) The data and definitions used to implement these formulas is provided by the U.S. Bureau of the Census.

(c) In years immediately following the use of new data in the formula described in paragraph (b) of this section, based upon criteria to be described in the SGA, we may utilize a hold harmless factor to reduce the disruption in grantee services which would otherwise result from changes in funding levels. This factor will be determined in consultation with the grantee community and the Native American Employment and Training Council.

(d) We may reallocate funds from one INA grantee to another if a grantee is unable to serve its area for any reason, such as audit or debt problems, crimi-

nal activity, internal (political) strife, or lack of ability or interest. Funds may also be reallocated if a grantee has carry-in excess of 20 percent of the total funds available to it. Carry-in amounts greater than 20 percent but less than 25 percent of total funds available may be allowed under an approved waiver issued by DINAP.

(e) We may reserve up to one percent (1 percent) of the funds appropriated under WIA section 166(d)(2)(A)(i) for any Program Year for TAT purposes. Technical assistance will be provided in consultation with the Native American Employment and Training Council.

(5) An individual who is employed, but is determined by the grantee to be in need of employment and training services to obtain or retain employment that allows for self-sufficiency.
